The
***CONSERVATIVE CONGREGATIONAL
CHRISTIAN CONFERENCE***

THE BIBLE — We believe the Bible, consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.

THE TRINITY — We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Ghost.

THE LORD JESUS CHRIST — We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

REDEMPTION — We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.

THE HOLY SPIRIT — We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.

THE RESURRECTION — We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.

SPIRITUAL UNITY — We believe in the spiritual unity of all believers in Christ.

THE SOVEREIGNTY OF CHRIST
Head of the Church.
Lord of the Conscience.

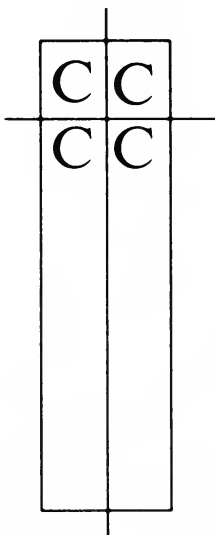

THE UNITY OF CHRIST'S CHURCH
Redeemed by His death.
Empowered by His life.

THE LIBERTY OF CHRIST'S CHURCH
In the fear of God.
In the limits of Love.

THE URGENCY OF CHRIST'S CHURCH
To evangelize the world.
To edify the Believer.

— TO GOD ALONE BE THE GLORY —

LYNN E. SCOVIL
Conference President

FROM THE CONFERENCE PRESIDENT

Our Conference serves many functions in the lives of our many pastors, churches and people. It serves as a repository for credentials, answers to calls for assistance, keeps us informed of happenings across the country, represents us on the national level in our relationships with other denominations and fellowships, enables us to provide Chaplains for the Armed Services, etc.

The Scriptures repeatedly declare the importance of fellowship and ministry in the life and growth of God's people. Most of us have long ago discovered that these are two of the areas we most treasure as we think about our relationships within our local churches, and as we think about our relationships within the framework of our Conference. God knew that we would need the love and encouragement we find only with other believers, and He knew we would have to minister to one another's needs and concerns.

As you look through the following pages of this Yearbook you will find a directory of our Conference Officers, Board of Directors, Committees, Area Representatives, and the various Regional Fellowships associated with our Conference. You will also find an alphabetical listing of all the ministers who hold ordained or licensed standing in our Conference and a catalogue of member churches listed under the state in which they reside. Finally, you will find a copy of our Constitution and By-Laws, Codes of Ethics for Pastors and Churches, and some policy papers on issues of concern to our Conference and our churches.

May this Yearbook serve as a helpful means of getting to know one another better, to pray for one another, to know where to look for help in certain areas, and to help us develop closer fellowship and friendships within our beloved Conference.

Gentlemen:

We have examined the statement of cash receipts and disbursements of Conservative Congregational Christian Conference (a non-profit organization) for the year ended December 31, 1984. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Conference's policy is to prepare its financial statement on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying statement is not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly the receipts and disbursements arising from cash transactions of Conservative Congregational Christian Conference during the year ended December 31, 1984, on the basis of accounting described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

**CONSTITUTION AND BY-LAWS OF THE
CONSERVATIVE CONGREGATIONAL
CHRISTIAN CONFERENCE**

1978

PREAMBLE

In gratitude to Almighty God for the gift of salvation through our Lord Jesus Christ; and believing that, to the glory of God, the task of the church of Jesus Christ is two-fold, i.e., the evangelization of the world and the edification of the saints; and believing further that there is a definite need among congregationally governed churches of historic Biblical persuasion for an association to assist them in the performance of said task; We, therefore, as autonomous churches declaring our unqualified belief in the entire Word of God written, humbly invoking the guidance of the Holy Spirit, have covenanted together to form such an association.

Article I - Name

The name of this organization shall be: THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE, hereinafter called the Conference.

Article II - Purpose

1. To deepen and extend the fellowship of our churches.
2. To encourage a steadfast, Biblical witness by our churches.
3. To facilitate co-operation and counsel among our churches with regard to evangelism, edification, Christian education, stewardship, missions, church extension, Christian action, women's and men's fellowships, youth activities, the pastoral ministry, and other related concerns.
4. To preserve and promote the Scriptural principles of the autonomy of the local church and the freedom of the believer in Christ.

Article III - Statement of Faith

1. We believe the Bible, consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Ghost.
3. We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of all believers in Christ.

Article IV - Statement of Polity

1. We believe that Jesus Christ is the Head of His body, the Church universal, and of each local church.

2. We believe that each local church is in itself a complete church, and therefore autonomous and possesses all rights and responsibilities of the church by the Holy Spirit as set forth in the Holy Scriptures.

3. We believe that Jesus Christ exercises His authority in each local church by the Holy Spirit and through the Holy Scriptures.

4. We believe that each local church is amenable only to Jesus Christ, and not to any association, conference, council, synod or any other ecclesiastical body.

5. We believe that it is proper and beneficial for each local church to seek fellowship and council of other such local churches.

Article V - Membership

1. Membership in this conference shall be attained by the voluntary association of churches, ministers or individual laymen who find themselves in full accord with the Statement of Faith and Statement of Polity (Articles III, IV) of this constitution, and with the general principles of this Conference as set forth in the constitution and by-laws. Conference membership, whether of church, minister or layman, may be subject to review by the ensuing annual meeting of the Conference. Ministerial membership shall be accorded on the basis of the approved ministerial standards of the Conference, as set forth in the by-laws of this constitution. Churches are not necessarily barred from membership because of other affiliations so long as they adhere to the Statement of Faith and the Statement of Polity and the workings of the Conference. Individual lay membership may be held only by members of Congregational Christian Churches which are not member churches of this Conference, or by members of other congregationally governed local churches which also are not members of this Conference. In the event that a non-member church joins this Conference, the individual lay membership of any of its members ceases.

2. A church, minister or individual lay member may withdraw from membership in this conference at any time by its or his own action, and will be removed from the membership roll when written notice of such action is given to the Chairman of the Credentials Committee.

3. In the event that there is received a written statement that a member church, minister or individual lay member has departed from the standards of faith and practice set forth in this Constitution and By-Laws, the Committee on Credentials shall make a careful investigation of the matter. If the charge appears to the Committee to be justified, and is received in accordance with 1 Timothy 5:19 from at least two or three witnesses, then the Committee shall report the matter to the Conference for appropriate action. The Committee on Credentials shall file their report in writing with the Recording Secretary of this Conference and the party accused at least thirty days prior to the annual or special meeting at which the report is to be considered. The right to appeal to the Conference by the party accused is presupposed.

Article VI - Associated Relationships

1. The Conservative Congregational Christian Conference encourages the forming of local fellowships, conferences, or associations, of churches and ministers who are in accordance with Article V, Section 1, of this constitution and who are in sympathy with the statements of faith and polity of this Conference.

Fellowships, conferences, or associations, whether state or area, may be recognized in this associated relationship upon request to and approval by the Credentials Committee. Such action will be subject to review by the ensuing annual meeting of the Conference.

Recognition by the Conference does not bestow membership in this Conference upon churches or ministers of the respective groups. Churches, ministers, or individual laymen, may attain voluntary membership according to Article V — Membership, of this constitution.

Fellowships, conferences or associations, recognized by this Conference, will be represented in the Conference business meetings by the delegates of their member churches which are also members of this Conference.

e. Ministerial members who are inactive for a period of two years, during which time they do not answer Conference or regional correspondence or questionnaires; and do not make a contribution, financial or otherwise; and do not attend any Conference or regional meetings; and do not make any contact whatever with this Conference, shall be contacted if at all possible by the Credentials Committee to ascertain their interest in this Conference. If there is no response, or no interest indicated, the names of such Ministerial members may be recommended by said Committee to any Annual Meeting of the Conference for removal from Ministerial membership in the Conference; similarly, recommendation may be made for removal from membership in any of the applicable three other types of membership as defined in the Constitution (Article V.1).

f. Ordained Ministerial members or Commissioned Christian Workers who for a period of two or more years fail to exercise the functions of the ministry for reasons other than disability or retirement and who pursue secular employment without apparent effort to serve as a Pastor or in some capacity as a minister (i.e. beyond those activities ordinarily done by lay-persons) shall be questioned by the Credentials Committee as to the propriety of their continued ministerial standing. Unless there are extenuating circumstances, if such persons persist in the neglect of the ministry and refuse to resign from Conference standing, the Credentials Committee may recommend, to any Annual Meeting of the Conference, removal from ministerial membership or transferral to Lay Membership within the Conference. The right to request reinstatement upon a return to the ministry is presumed.

3. Licentiate Membership

Ministerial license to preach conferring authority to perform the regular functions of parish ministry, including the solemnization of marriages where legally permissible shall be granted by the Conference upon recommendation by the Credentials Committee and shall expire with the closing date of the ensuing Annual Meeting of the Conference, such license is renewable at the discretion of the Credentials Committee upon application to its chairman at least thirty (30) days before expiration of the license.

4. Commissioned Christian Worker Membership

a. Persons who have been commissioned into a Christian vocation such as a mission executive or support worker, an editor of a Christian periodical, a director of Christian education, a director of evangelism, a

minister of music, or those who give service within Christian non-profit agencies as a teacher, doctor, nurse, or social worker may be received into Conference membership as a Commissioned Christian Worker.

b. Commissioned Christian Worker standing in the Conference shall require:

(1) A minimum academic attainment of a bachelor's degree from an accredited college or university with proven competency in the chosen professional field. On-the-job experience may be considered as equivalency for formal training in certain cases.

(2) Acceptable commissioning by a local church into a particular tian Chrisvocation. This Commission is to be granted after a close and particular examination of the candidate's:

(a) character and conduct

(b) physical, mental and education qualifications

(c) personal testimony of Christian experience

(d) motivation for seeking this standing

(e) knowledge of the Bible and Christian theology

(3) An engagement or formal invitation to a particular position.

(4) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

(5) Membership in a Congregational Christian or Congregationally governed local church.

c. Persons called to such Christian vocation other than the ordained ministry and who are received into the Conference as Commissioned Christian Workers are entitled to all the rights and privileges of the Conference. This status does not grant authority to perform the regular functions of parish ministry, including the solemnization of marriages.

d. The Commission shall be recognized as valid as long as the Commissioned Christian Worker is actively engaged in the form of service to which he was commissioned.

e. The stipulations of By-Law VII, Section 2, paragraphs "d" and "e" also apply to Commissioned Christian Workers.

5. Conference Care Membership

a. Prospective candidates for the ministry, the mission field, and other areas of service such as Christian education, church administration, ministry of music and similar areas, may be received under Conference Care for guidance in preparation. Under such care the enrollee may study the Conference Study Course. The enrollee shall have an annual personal conference with a member of the Credentials Committee or with some Conference representative appointed by them. A person who has been received under Conference Care, is considered a member of the Conference under Conference Care, and is entitled to vote at all Annual Meetings and Special Meetings of the Conference. His vote does not necessarily have to be included in the delegation from his home church, if that church is a member of the conference.

b. The standing of Conference Care may be granted to candidates described in By-Law VII, 4, a., from foreign countries who are resident, and only for so long a time as they are resident, for study in the United States of America.

6. Lay Preacher

The Conference shall provide for the status of Lay Preacher upon the application of an individual to the Credentials Committee and shall be available only to lay members of the Conference. Such status shall be granted for the purpose of recognizing an active lay witness of the individual, but it shall not include the privileges of licentiate membership such as authority granted by the Conference in licensing to perform the regular functions of a pastorate including the solemnization of marriages.

The status of Lay Preacher for the individual shall expire with the closing date of the ensuing Annual Meeting of the Conference and be renewable at the discretion of the Credentials Committee upon application at least thirty (30) days before the expiration of such status.

7. Individual Lay Membership

This membership shall be granted to members of congregationally governed churches which are not members of this Conference. Such individual Lay Members shall be granted the full privilege of conference Membership in accord with Constitution, Article V, 1, and Article VII, 3.

VIII - Seal

The seal of the Conference in use at the time of this Constitutional revision shall continue as the official seal of the Conference, and shall be used by having the same, or a facsimile thereof, impressed or affixed, or reproduced otherwise.

IX - Fiscal Year

The fiscal year of the Conference shall be from January 1 to December 31.

X - Unprocessed Applications

Churches, ministers, or individual lay-members from non-member churches, whose applications for membership have been processed too late to be circulated to the entire Conference membership before the Annual Meeting, or whose applications are still in process, may be given the right to speak from the floor and/or the right to vote at the said Annual Meeting, by a majority vote of the assembled delegates.

XI - Amendments

These By-Laws may be amended by the affirmative vote of two-thirds of the Conference members present and voting at any Annual Meeting or Special Meeting of the Conference, provided that in writing thirty days notice of the substance of proposed amendments to the By-Laws be given to all members of the Conference. Upon adoption of amendments, the orderly numbering, lettering, capitalization and spelling of the By-Laws shall be cared for by the Constitution Study Committee.

THE NATURE OF OUR FELLOWSHIP

STATEMENT

To include as brethren those with greatly diverse convictions in certain theological areas is not a weakness but a strength and in harmony with Biblical truths. The architects of the Congregational Way labored for the freedom to be ruled by God. This means that Jesus Christ alone is head of the church and Lord of the conscience. He directs His church through Scripture, speaking in this manner to officers and individual members.

This freedom requires an environment of unity and liberty, cultivated in the context of honestly differing theological viewpoints. Thus we must seek continually to maintain a true balance. To this end we recognize that as Congregational Christians we do not have to agree on everything to achieve Biblical respect and spiritual health. In the spirit of Acts 15, we seek to promote maximum freedom for the rule of God in our churches. This is the merit of the Congregational conscience.

We do not claim that the theological breadth of our conference today is a precise extension of all the doctrines of the Savoy Declaration of 1658. But we do consider it significant that Browne's "Statement of Congregational Principles" antedates Savoy by 76 years and that the latter was itself a modification of the Westminster Confession including a more flexible view of the role of creeds. According to these historic Congregational principles, each church is complete in itself and independent from every other. Thus, there is no appeal from the decisions of the local church.

Consequently, we believe that the Biblical fellowship offered by us today meets a need for fellowship among congregationally governed churches and is the outgrowth of the Congregational principles of 300 years ago. If those principles are seen as Biblical, then our current relationships deserve the name Congregational, for they appeal to the same ecclesiology. And, how relevant this is: we offer real freedom at a time when it is being lost almost everywhere else.

There is freedom in the 4C's today to believe and practice the strictest Reformed theology of our early fathers, as well as other essentially Christian theology which differs in certain ways from the Reformation perspective. Should either be denied in a forced unity, contrary to the ecclesiology of the original founders, we would no longer be fully Congregational.

CONCLUSION

Today we are faced with lawlessness and legalism not only in our society but in many Christian Churches. To maintain both freedom and unity is difficult, but worthwhile. The task of being a true Congregationalist was never easy but always a source of blessing.

CODE OF ETHICS FOR MINISTERS

In My Own Life

I will always devote time to seeking the will of God through reading the Scriptures and prayer.

I will endeavor to keep myself physically and emotionally fit.

I will consider the needs of my family as a sacred obligation before God.

I will seek in all ways to be Christlike in my attitude and conduct.

In Relationship to the Church

I will remember that I am called to lead, but also to serve.

I will never violate a confidence given to me.

I will be diligent in my duties as pastor, never lazy, but with God as my judge.

I will be biblical in my preaching, presenting the whole counsel of God, speaking the truth in love.

I will strive to introduce men to Christ, and to build His church.

I will consider my call to the church a sacred responsibility and stand by the decision.

In Relationship to Other Ministers

I will be a brother in Christ to my fellow ministers.

I will not seek to build my church at the expense of another church, nor my ego at the expense of another minister.

I will not speak disparagingly of either my predecessor nor my successor.

I will refrain from pastoral contacts with former parishioners except with the knowledge of the present pastor.

In Relationship to the Conference

I will recognize my duties to the larger fellowship of the Conservative Congregational Christian Conference, and seek to support through prayer and action its aims and objectives.

CODE OF ETHICS FOR CHURCHES

The Christian Church is the Body of Christ and is destined to be His Bride. Inasmuch as every local church is an expression of the whole body it is needful for her to be committed to vigilance in all of her relationships:

In Relationship to Christ

Believing that Jesus Christ is the Head of the Church...

We will honor and exalt Him in all of our relationships and ministries.

We will keep ourselves free from all policies and practices which might tend to mar the beauty of the Bride of Christ.

In Relationship to Fellow-Members

Believing that the local church is an expression of the family of God...

We will promote unity among the members of the congregation, resisting all jealousy, rivalry, self-seeking and division which would disturb that unity.

We will "...make every effort to do what leads to peace and to mutual edification." (Romans 14:19)

In Relationship to Other Churches

Believing that the church is a universal body...

We will attempt to maintain honorable relationships with other churches in the community.

In Relationship to the Community

Believing that the witness of the church in the community affects the ministry of that church to the community and reflects on Christ, the Head of the Church...

We will endeavor to keep our dealings with agencies, businesses and individuals in the community honest and above reproach.

In Relationship to the Conference

Believing that our membership in the Conservative Congregational Christian Conference is not only a privilege but also involves responsibility...

We will fulfill our fellowship, ministry and financial obligations to the Conference to the best of our ability.

We will uphold the doctrines and principles of the Conference.

In Relationship to the Pastor and Other Leaders of the Church

Believing that the pastor and other spiritual leaders and sheperds of Christ's flock...

We will love, honor and submit to them as they, by example and word, watch over our souls.

We will support the pastor financially so that he may be able to meet his obligations without bringing reproach upon himself or us.

We will not allow anything among us that would undermine the pastor's ministry or rob him of the confidence of the church and the community.

We will endeavor to respond to all criticism dealing with the pastor, other spiritual leaders, or their families in an honorable manner, not tolerating subversive or clandestine meetings.

Whenever legitimate criticism or charges against anyone arises, we will follow Scriptural direction for church discipline, always with a desire for reconciliation and restoration and always making use of the cloak of love.

STATEMENT REGARDING THE CHARISMATIC MOVEMENT

PREAMBLE

Frequently the Board of Directors is asked questions regarding the position of the CCCC with respect to the Charismatic Movement and particularly the matter of glossolalia.

The Conference as a body would find it difficult, because of our congregational structure, to make a definitive policy statement. However, the Board of Directors wishes to present this simple statement as a product of its thinking and with the desire that the “Unity of the body” be maintained.

A STATEMENT

“It is our conviction that the plain teaching of the New Testament is that the more spectacular sign gifts, i.e., tongues, healings and miracles, needed some degree of order that would prevent their indiscriminate use (1 Cor. 14:40). It appears that the Apostle Paul taught that the more spectacular gifts were secondary to those that instructed believers in faith and morals and that evangelized non-Christians (1 Cor. 12:28-31). Tongue speaking was certainly not forbidden (1 Cor. 14:39), but intelligent exposition of the Word of God, along with instruction in faith and duty was definitely superior.

“Therefore, brethren, we desire that in the life of our Conference there be neither evangelism on behalf of the spectacular gifts nor forbidding thereof. So that there be no confusion relating to our position, we give the following examples:

- a. To use either the Annual Meeting or Regional gatherings for the promoting of these spectacular gifts is not in order as it will engender division.
- b. To use either the Annual Meeting or Regional gatherings as platforms to antagonize brethren by denouncing these gifts is also out of order.

“That there should be no schisms in the body; but that the members should have the same care one for another.” 1 Cor. 12:25.

CONCLUSION

We respect those brethren who hold to the view that the sign gifts were withdrawn when the canon of Scripture was closed. We also respect those brethren who hold that these same gifts are still among us today. However, we are firm in our belief that messages received by means of these gifts are not equal to the revelation of God in Holy Scripture.

**Policy and Guidelines for the Credentials Committee
Regarding Ministers who are Divorced**

I. STATEMENT OF THE ISSUE

The presence of divorce in American life today together with the increasing incidence of divorce among the clergy confronts our Conference, and particularly our Credentials Committee, with the issue of ministers who have been divorced being granted admission and continued standing in the Conference. It is necessary, therefore, to set forth policy guidelines for the consideration of divorce situations.

A. SANCTITY OF MARRIAGE

It is an accepted fact in our Conference that the Scriptures are the standard by which guidelines should be determined. In this light the sanctity of marriage cannot be overemphasized. When asked His view on divorce, Jesus replied, "Haven't you read that at the beginning the Creator 'made them male and female' and said, 'For this reason a man will . . . be united to his wife and the two will become one flesh?' So they are no longer two but one. Therefore what God has joined together, let not man separate." (Matthew 19:4 / Genesis 2:24)

God instituted marriage. It is not subject to the changing norms of society. God designed marriage to be a permanent union of a man and woman by which they are made one. God did not allow for divorce in his design. Marriage is a total commitment of two people to one another for life. It is a covenant of companionship.

In the light of Proverbs 2:17 and Malachi 2:14, marriage is a covenant relationship before God, and the breaking of a covenant of whatever kind is wrong. Sin is involved in every divorce. According to Malachi 2:16 God hates divorce. That is not to say that God hates people who are divorced, nor is it to say that everyone who is divorced is guilty of the sin that resulted in divorce. Some people are divorced by their mates against their will and in spite of their efforts toward preservation of the marriage. This raises the question whether divorce per se disqualifies a minister from continued standing in or acceptance into membership in the Conference.

B. SANCTITY OF THE MINISTRY

Even though it might be allowed that divorce in itself may not eliminate a man from the ministry, it must be remembered that, in the light of Scripture, the sanctity of the office of the ministry and the example of the minister cannot be overemphasized. Paul wrote to Timothy, "If a man desire the office of a bishop, he desireth a good work. A bishop then must be blameless . . ." (I Timothy 3:1,2). The sacred nature of the office is emphasized by Paul when he says in I Corinthians 4:1, "Let a man so account of us, as of the ministers of Christ, and the stewards of the mysteries of God." To Titus he wrote, "A bishop must be blameless as the steward of God: not selfwilled, not soon angry, not given to wine, no striker, not greedy of filthy lucre; but a lover of hospitality, a lover of good men, sober, just, holy, temperate, holding fast the faithful word as he hath been taught . . ." (Titus 1:6-9). In other words, the life of a minister must be exemplary in every way

because of the high office which he represents, "in all things showing himself a pattern of good works." (Titus 2:7)

Peter admonishes ministers to "feed the flock . . . taking oversight thereof . . . neither as lords over God's heritage, but being ensamples to the flock." (1 Peter 5:2,3), and Paul reminds ministers that "we are ambassadors for Christ", standing in Christ's stead. Because of the sanctity and high calling of the ministry, therefore, and because it places the minister before the Church and the world as a pattern of what Christian living should be, the divorce of a minister is an extremely serious matter. Even though the minister himself may be innocent of wrong doing, his divorce can have disastrous and far reaching effects on his congregation and his future ministry.

II. UNITY WITH DIVERSITY IN THE INTERPRETATION OF SCRIPTURE

At this point we must recognize that, within the unity of our Conference, there is diversity. We are united in our conviction that the Bible is God's Word and our ultimate authority, but there are areas of Biblical interpretation where our understanding differs. For example, we all accept the sovereignty of God but we have differences of understanding how God's sovereignty relates to man's freedom and responsibility. Likewise we unite in expecting the return of our Lord but we differ as to the sequence of events associated with His sure return. The same can be said regarding the charismatic gifts and the place of women in the ministry. In the same manner we agree on the evil of divorce but we do not all understand the teaching of Jesus and other Scriptures on divorce in exactly the same way.

A. UNEQUIVOCAL DISQUALIFICATION

There are members of our Conference who are strong in their conviction that any minister who is divorced for whatever reason is thereby disqualified to serve in the ministry and should not have standing as a minister of the Conference nor be pastor of a church. Paul's words, "The overseer (minister) must be above reproach, the husband of but one wife . . ." (1 Timothy 3:2), are understood as requiring the disqualification of a divorced minister. The situation is compounded if the minister has married the second time. The teaching of Jesus in Luke 16:18, Matthew 5:31,32 and Matthew 19:1-9 is taken by some to mean that, while divorce is wrong, an exception is allowed in the case of fornication, but the exception does not leave the innocent party free to serve in the ministry or to remarry.

B. FORGIVENESS AND RECONCILIATION

Some members of the Conference, however, hold other considerations, which they believe are also valid in the light of the bible. For example, there is the principle of God's forgiveness and restoration. What shall we say of the man who was divorced before his conversion to Christ when he was made a new creature in Christ? If he had been guilty of sexual sin before becoming a Christian he would not thereby be ineligible for a call from God to

the ministry. Paul was guilty of murder and blasphemy before his conversion but God forgave him and made him a minister. There are men who have been saved out of a life of immorality and debauchery who have become able ministers of the Gospel. Is the breaking of the marriage covenant a greater sin than pre-marital promiscuity? When God forgives sins He casts them behind His back (Isaiah 38:17), He casts them into the depths of the sea (Micah 7:19), He remembers them no more (Jeremiah 31:34), and He removes them as far as the east is from the west (Psalm 103:12). God forgives the sins we confess and cleanses us from all unrighteousness (1 John 1:9). Some members of our Conference would say, "Yes, God does forgive and forget, but the divorced minister still should not serve in the public office of the ministry." Other members of the Conference would say, "When God forgives the truly penitent sinner, whatever the sin, he wipes the slate clean. Should we continue to call the man unclean and unworthy of service if God has pardoned him and made him clean? Is there any reason why God's assurances of forgiveness should apply to every other sin except divorce? Divorce is not the unpardonable sin."

C. RELEASE FROM THE MARRIAGE COVENANT

Consider also the case of the minister who has not been guilty of disruption of his marriage by unchristian attitudes and conduct which have driven his wife to seek divorce, and who has made every effort toward reconciliation and the saving of his marriage. If his wife persists in "putting him away" by divorce, he is in no way guilty of violating God's law. If both he and his wife are Christians, he should remain unmarried and continue to seek reconciliation according to I Corinthians 7:11. If he fails to do so, his eligibility to continue in the ministry is severely damaged if not destroyed.

If, however, the wife has proven herself to be an unbeliever in the above situation, according to I Corinthians 7:15 the minister "is not bound," and if he is not bound, he is free. He has been released from the marriage covenant. There is a parallel to this in Romans 7:2,3 where Paul declares that a woman is "bound to her husband as long as he is alive . . . But if he dies, she is released from the law and is not an adulteress though she marries another man." In Romans 7 the death of the husband terminates the marriage and in I Corinthians 7 the willful departure of the unbeliever terminates the marriage. The sense of I Corinthians 7 appears to be that a person who has sincerely sought to preserve a marriage but has been divorced contrary to his will and effort toward reconciliation is a free person. In such a case it is a valid conclusion of some that a minister should not be penalized and prevented from serving in the ministry solely because he has been divorced. Some ministers in such cases have continued to enjoy the blessing of God on their ministry.

D. LAWFUL — BUT NOT EXPEDIENT

Having said all this, we need to recognize that the traumatic experience of going through a divorce and the possible attitudes of

a minister's present and future congregations may quite possibly make it very difficult, if not actually impossible, to carry on an effective ministry. The minister, the congregation and the Credentials Committee will do well to consider that while, in the view of many members of our Conference, it may be lawful for a divorced minister to continue to serve in the ministry, it might not be expedient. He might better devote his talents, training and experience to some service for the Lord other than the pulpit and pastoral ministry, such as writing, counseling or administration.

III. CONFERENCE RESPONSIBILITY

In the light of the above considerations, we must keep in mind that the Conference does not speak for the local church or for the individual minister or member of the Conference.

A. DETERMINATION BY THE LOCAL CONGREGATION

Every church determines for itself what its practice shall be regarding divorce. Every church has complete freedom and responsibility to make sure that the minister it calls to lead the congregation shall be in harmony with its own standards regarding divorce. In making referrals to churches seeking ministers, the Conference office shall always provide the full resume and record of a minister including his marital status. Churches may differ in their views of divorce, but we are bound together in our Conference by our common commitment to the heart essentials of our Christian faith as stated in our Articles of Faith.

B. ACCEPTANCE OF THE VARIOUS BIBLICAL INTERPRETATIONS

The views of our ministers vary in some areas other than the cardinal truths set forth in our constitution. In those areas where we differ the conscience of the individual minister is not compromised by the position expressed by the Conference in such areas as eschatology, the charismatic movement, women's part in the ministry, divorce, or any other area. On the other hand the Conference and the Credentials Committee must recognize that born-again Bible-believing, evangelical Christians and ministers within the Conference will have differing convictions which they derive from their understanding of Scripture.

We must make allowance for such varying convictions and make a place for the brother whose views differ from our own as long as he does not deny the fundamental truths of the Bible. We must also be careful not to impose the convictions of any one man, church or segment of the Conference on any minister, church or the Conference as a whole. In Christian love we must accept one another and respect the privacy of everyone's conscience before God.

C. OBLIGATION OF THE CREDENTIALS COMMITTEE

Finally, let it be said that the Credentials Committee is under obligation to exercise extreme care in considering the divorce of a minister of the conference or one who is applying for membership. The Committee's actions must proceed prayerfully with compassion toward the individual and with due regard to the high standards of the ministry set forth in Scripture.

All who experience divorce shall enter a period of review. Unrepentant persons causing the dissolution of their marriage will be dismissed from ministerial membership in a manner consistent with the CCCC constitution and by-laws. Other ministers shall have their credentialed status suspended for a period of review, the length of which is determined by the Credentials Committee. I Timothy 5:22 gives caution regarding the hasty laying on of hands, a principle which should not only apply to the novice or those who newly apply for CCCC standing, but also to those who experience divorce while pursuing an active ministry within our fellowship. In taking this approach, we recognize that Conference actions do not bind a local church in its decision to continue a pastoral relationship with a divorced minister.

After this review period, the Credentials Committee will, upon request, examine or re-examine the general trends of ministerial personal fitness as outlined in I Timothy 3:1-7. Personal references from those who know the individual's current home situation will be sought. If the individual is "well thought of by outsiders" then his credentials would be returned as a positive endorsement. It is believed that such a vouching process would prove to be both a source of encouragement for the individual and a source of confidence for churches that may consider this individual as a prospective candidate for pastoral office.

HOMOSEXUALS AND THE CHRISTIAN FELLOWSHIP

Our aim in the following statement is to combine theological thinking and biblical commitment with contemporary understanding and compassionate pastoral concern.

1. God in His Holy Word plainly condemns the practice of homosexuality as an abomination in His sight (Leviticus 18:22), as a degrading and unnatural passion (Romans 1:26,27), as one that brings grave consequences in this life, and as a sin that, if persisted in, will exclude one from the Kingdom of God (I Corinthians 6:9,10).

Therefore, neither individual Christians, nor ministers of the Word of God, nor congregations of the Lord Jesus Christ, may take away from or lessen God's prohibition of and warnings against the practice of homosexuality.

Neither may they individually or collectively as responsible citizens in a free society, urge or concede that the State should give special protection or approval to this practice, or promote it as a matter of personal taste, free choice, or "sexual orientation". Homosexuals are not entitled to special treatment under the law. That would be tantamount to rewarding evil.

2. The Apostle Paul testifies that those once involved in homosexuality were among those who were washed, sanctified, and justified in the name of the Lord Jesus Christ (I Corinthians 6:11).

Therefore, individual Christians, ministers and congregations, understanding that all human beings are sinners, and that as Christians we have received God's mercy while helpless, ungodly and hostile to God (Romans 3:23; 5:6,10), must warn against homosexual practices as from the mouth of the Lord (Ezekiel 3:17), and, at the same time proclaim forgiveness, cleansing, restoration, and power for godly living for all who repent and believe the Gospel (John 1:12; 3:16; Romans 1:16; I Corinthians 6:11; Philippians 2:13).

We specifically renounce any unbiblical prejudice against persons who are homosexual simply because of their *orientation*, which is just one particular form of the same sinful orientation we all have. But we do believe that every *expression* of that orientation is sinful, just as every *expression* of adulterous desire is sinful, and we believe that all practicing adulterers and homosexuals should be called to repentance.

3. God desires that all mankind repent and come to a knowledge of the truth and be saved (II Peter 3:19; I Timothy 2:4).

Therefore, individual Christians, ministers and congregations, will compassionately and in love, proclaim the Good News of forgiveness and the admonition to go and sin no more (John 8:11) to those once involved in homosexual practices, admitting such into fellowship after confession of faith and evidence of repentance, as with all those who have sinned grievously in other ways (I Corinthians 6:11). We counsel those homosexuals who do not experience full healing and reorientation to remain celibate, trusting the Holy Spirit to give a joyous and fruitful existence as is promised to believers who cannot experience marriage (Isaiah 56:3-5). Jesus repeats this promise (Matthew 19:12).
